THE HOURS between 3:00 p.m. and 6:00 p.m. are when a child is most likely to engage in dangerous behavior such as experimenting with drugs, tobacco, alcohol or unsafe sexual practices.

Boys & Girls Clubs of Southern Nevada provides a safe and positive environment for kids to learn, have fun and develop supportive relationships instead of falling prey to these risks.

Kids need to feel safe. They need to feel like they belong somewhere and there’s someone who’s looking out for them.

We continue to invest in the people and resources that directly impact the kids in our care. Constant evaluation of our programs and commitment to providing a High Quality Club Experience ensures our members, and the community at large, benefit from the programs and services Boys & Girls Clubs of Southern Nevada delivers.

We are all in this together. BGCSNV is grateful for, and humbled by, the leadership of our Board of Directors and the support of our community partners, sponsors and donors who ensure Club doors stay open for the members who need us most. Great Futures start here.

SKILLED YOUTH DEVELOPMENT PROFESSIONALS

We are Youth Development Professionals delivering high-impact programs to the kids who need us most. From the moment they enter our doors, young people experience the positive impact of the Club Experience, guided by professionals trained and certified in the proven methods of the David P. Weikart Center for Youth Program Quality. Building relationships, participating in fun and engaging programs, learning important skills, making new friends and developing their inherent talents gives these kids a sense of belonging and creates a space of emotional safety.

"The people I’ve met at the Boys & Girls Clubs, I sincerely can call them friends and family. I couldn’t imagine my life without the Club."

- Kaprice Burns, 2018
BGCSNV Youth of the Year

THE HOURS between 3:00 p.m. and 6:00 p.m. are when a child is most likely to engage in dangerous behavior such as experimenting with drugs, tobacco, alcohol or unsafe sexual practices.
